

Mortiboy's Dental Spa

We believe the best way of making treatment affordable, without compromising our high quality of care, is to offer you membership of our Practice Membership Plans that provide a convenient payment scheme for routine treatments, and substantial discounts on additional treatments.

Adult Comprehensive Care Plan

£19.47 per month

After six months membership, you will receive the following standard benefits:

- ✓ A **15 minute** dental appointment every **6 months** to provide clinical examination, checking for signs of oral cancer and routine x-rays where clinically necessary.
- ✓ A **30 minute** hygiene appointment every **6 months** to include scale and polish, periodontal advice and preventative techniques to reduce decay and gum disease.
- ✓ All treatment planning for your future dental needs.
- ✓ Assessment of emergencies and dental pain, carried out at the practice during normal surgery hours.
- ✓ **10% discount** on any laboratory-based treatments required i.e. crowns, bridges and dentures.
- ✓ **10% discount** on any fillings and root canal treatments.
- ✓ **10% discount** on most other dental work*

All plans also include

- ✓ Worldwide Trauma Insurance to protect against the cost of unforeseen accidental damage.
- ✓ Emergency Call-out Insurance, should you need a dentist in an emergency in the UK or overseas.
- ✓ Redundancy protection for your monthly plan payments for up to 12 months (to cover Parent/Guardian for children's plans).

* Discounts do not apply to treatment (including extractions) carried out by our specialists.

Plan benefits only apply to work carried out at the practice.

Plan membership can only be taken out after initial payable consultation with a Dentist and Hygienist.

Ask one of our team how you can join our Practice Membership Scheme.

Adult Perio Care Plan

£28.47 per month

After three months membership, you will receive the following standard benefits:

- ✓ A **15 minute** dental appointment every **6 months** to provide clinical examination, checking for signs of oral cancer and routine x-rays where clinically necessary.
- ✓ A **30 minute** hygiene appointment every **3 months** to include scale and polish, periodontal advice and preventative techniques to reduce decay and gum disease.
- ✓ All treatment planning for your future dental needs.
- ✓ Assessment of emergencies and dental pain, carried out at the practice during normal surgery hours.
- ✓ **10% discount** on any laboratory-based treatments required i.e. crowns, bridges and dentures.
- ✓ **10% discount** on any fillings and root canal treatments.
- ✓ **10% discount** on most other dental work*

Adult Membership Packages

Mortiboy's Dental Spa

Our children's plans have been developed to ensure that your child receives all of the preventative techniques currently available. Regular visits to the dentist give your child the knowledge and skills to maintain their own teeth and gums for a lifetime.
